

DENTAL TREATMENT FOR CHILDREN

PMH does not provide routine dental care for children.

The Emergency Department is able to offer a medical assessment for children requiring **emergency** treatment for dental and oral injuries, as well as relief of pain or infection. In some cases, a referral may be made to the PMH Dental Department. *Eligibility for treatment at PMH Dental Department is not automatic.*

The following services may assist with your child’s routine dental care or current dental problem:

- **Private dentists** are listed in the Yellow Pages (*many are happy to treat children*). Your private dentist may provide a written referral for specialist dental treatment at PMH Dental Department if required.
- **School Dental Service** (08) 9313 0555- *Free* dental care of children from *preprimary till Year 11*, including *emergency service in school holidays*, Mon-Fri. Phone first for nearest centre and eligibility.
- **Oral Health Centre Of WA** (08) 9346 4400 *Subsidised dental care subject to means testing*.
- **Community Dental Clinics** (08) 9325 3452 in-hours public dental clinics offer *subsidised dental care to dependent children of Health Care Card or Pension card holders*. Phone first for nearest centre and eligibility.
- **Disability Services Commission Dental Clinic**- *limited eligibility (Level 3 Disability) in hours only*, (08) 9201 9889
- The following **Private Specialist Paediatric Dental Practices**:
